

SUPPORT . EDUCATION . AWARENESS . ADVOCACY

UTAH FOOD ALLERGY NETWORK (UFAN) has developed a fun and interactive elementary school assembly just for kids! Because we are happy to offer several scholarships each year to Utah Schools to support this cause in our community, we require interested Utah Elementary schools to fill out this Food Allergy Awareness Assembly (FAAA) scholarship application.

Who is eligible to apply for a UFAN food allergy awareness assembly scholarship?

UFAN considers many factors when assessing scholarship applicants, including:

- A proven track record of leadership and community involvement
- Working for the betterment of the food allergy community
- Number of identified students with food allergies
- Financial need

Eligible applicants:

- Must be employed by or have a child attending the school applying.
- School must provide copies of handouts for up to 500 students.
- Application must include authorization signature from school Principal/Administrator.

Submission deadlines...

Any Utah school can apply each calendar year. Applications should be emailed to education@utahfoodallergy.org. Scholarships will be awarded within 30 days of submission via email to the Principal/Administrator of the selected schools.

FAQ (Frequently Asked Questions)

Can children apply for FA assembly for their school? Yes

How do I know if my school was chosen? *The school's principal/administrator will receive an email awarding the scholarship within 30 days of submission.*

How long is the assembly? *30-45 minutes start to finish. Please allow extra time for gathering and dispersing children.*

How much does it cost? *An assembly for up to 500 children is \$300.00 unless awarded an assembly through the scholarship application process. UFAN uses a grant from Food Allergy Research and Education (FARE) a national food allergy organization, for the funding to provide the Food Allergy Awareness Assemblies (FAAA) in our community.*
